

1410-B MODEL

GOOD MANUFACTURING PRACTICES
CERTIFICATE NUMBER GSCGMP-1-121
Based on: NOM-251-SSA1-2009

2 5/16" flagged soft nylon bristles with flagged tips and 10" foam block with a threaded handle hole. These brushes are recommended to wash cars, trucks, buses and trailer boxes, since the soft nylon bristles do not scratch delicate surfaces. The two level design of the brush allows reaching different surfaces without losing contact angle.
