

HYGIENIC SQUEEGEE

GOOD MANUFACTURING PRACTICES
 CERTIFICATE NUMBER GSCGMP-1-121
 Based on: NOM-251-SSA1-2009

Strong, light and flexible high-quality squeegees with a high level of hygiene since they are made with FDA approved materials. It is recommended for use in food processing plants, pharmaceutical laboratories, hospitals, restaurants, poultry processing plants, and bottling plants, among others. The " " threaded handle hole is suitable for our line of threaded handles.

The current design is ACME or German thread attached by friction welding. With the new design we have a universal thread directly injected which takes ACME, German, Italian and French threaded handles. A wide range of ACME and European threaded handles tested and approved.

BLUE	CREAM	GREEN	BLACK	ORANGE	PURPLE	RED	BROWN	WHITE	YELLOW
+B	+C	+G	+K	+O	+P	+R	+T	+W	+Y

SUGGESTED APPLICATION:

Ideal for high hygienic cleaning jobs.

CONTRAINDICATIONS:

Do not use in environments with temperatures above 176°C.

SUPPLEMENTARY PRODUCTS:

All our fiberglass and aluminum rods.

Benefits of the new design with Universal Thread:

- Sturdy design with reinforced structure.
- Differentiation from competitors.
- Less torsion compared to current design.
- Available in different colors and rubber.
